

Registration Now Open – [On-line Registration](#)

Registration for the PPC11 has now opened. Information relating to registration fees, entitlements, accommodation, tours and travel are available from the conference website. [Tours](#) have been especially put together for the Pacific Polymer Delegates before, during and after the conference. Click [here](#) to view registration information.

Call for Abstracts Now Open – [Submit an Abstract](#)

PPC11 will be a major international gathering of polymer scientists and engineers. All aspects of our profession will be covered in a comprehensive program. We encourage you to submit abstracts for both poster and oral presentations. Symposium areas of interest and information on how to submit and abstract are available on the [Abstract page](#) of the conference website. Click here to download a [Call for Abstracts document](#).
