## *Relax and Rejuvenate*

### *Make the most of your Tasmanian experience*

If you're coming to Tasmania for a conference, meeting or special event, why not take home much more than your conference notes or event snaps?

Take time out to enjoy Tasmania's wide range of experiences. Walk on a remote wilderness beach – visit the nation's most significant historic site at Port Arthur – sample superb cool-climate wines along a Tasmanian wine route – hook a wild trout – tee off at Australia's most spectacular golf hole, the awesome 8th at Tasman – ride the West Coast Wilderness Railway through rainforest into history.

Travel by yourself, bring your partner or make up a group. If you prefer you can bring your own car – *Spirit of Tasmania I, II and III* sail from Melbourne or Sydney, with accompanied vehicle fares starting from \$59 one way (for a standard-size car).

Following is a selection of Tasmanian holidays you can enjoy while you're here. Of course there are many more, so check with your event organiser or booking agent. You can choose or tailor a rejuvenating pre or post holiday especially to suit.
